Excercise
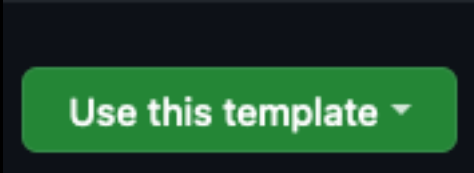

Run a role in a codespace

- Browse to https://github.com/playingfield/ansible_role_web

- Click on this [Use this template ▾]

- Select 'Open in a codespace'

- Get a cup of coffee while this is being created

- ☕

- Accept prompts

- Select 'View' -> 'Terminal' from the ☰ menu

- Type 'molecule converge' in the terminal window

- Browse the site you created for the next level
